

Gift Planning Consultant

Abbotsford, BC

OVERVIEW

At Abundance Canada, we believe that generosity changes everything[®]. It is transformational for both donor and recipient. Working at Abundance Canada means committing to this philosophy and joining a team of individuals using their skills and expertise to advance strategic gift planning in Canada to impact communities around the world.

We have been supporting donor advised funds for over 50 years, making us a leading authority in the Canadian gift planning sector. Beyond our financial acuity, we are pioneers in ethical and responsible investing, ensuring that our investment policies embrace social responsibility.

Thinking outside the box to maximize charitable dollars to effect change is something our team excels at. With nearly 300 million dollars in managed assets, and an average granting rate exceeding \$50 million per year, our donors get it.

We are looking for an individual to join our Gift Planning team. The ideal candidate will be motivated by a desire to make a difference. A self-starter who thrives at relationship building, advancing Abundance Canada's mission and services in the Fraser Valley and beyond.

Interested? Please listen to Gift Planning Consultant Brad Friesen reflect on his time with Abundance Canada to see if his story resonates with you. If yes, we would like to talk.
